

Role Description: Reverse Mentor

WHO WE ARE:

We are the Diocese of Bristol, which is to say the area of the Church of England that covers Bristol, across Chippenham and Malmesbury, to Swindon. We are responsible for meeting the needs of our communities across that area, including all the things you would expect from the Christian Church. We are significant providers of children and young people engagement, volunteering, social action and education in the region.

ROLE SUMMARY:

We recognise however that we are far from perfect, and have launched a significant Transformation Programme called [Transforming Church. Together](#) (TC.T) that seeks to amplify the good stuff that we do, and to address where we should do better. To do this we have a significant number of projects and workstreams that will be aiming to deliver the change needed.

Part of that Transformation involves us becoming more representative of the people we serve. We do not yet have the diversity of staff needed to ensure that all views are represented at the centre of these projects. We are therefore looking to establish the position of Reverse Mentor, to make sure that the leadership of these activities will be constantly challenged to reflect a diverse range of views and lived experiences.

We will especially welcome participation from those from underrepresented groups.

OVERSEEN BY:

Director of Transformation and the Transformation team

TERMS:

For new placements, the role will be paid (as an honorarium) of £1,000 per quarter.

For stipended clergy payment towards backfill costs may be considered up to £1,000 per quarter.

There will be no additional payment to those employed by the Diocese of Bristol.

The work requirement is anticipated to be typically around 10 hours per month including all necessary meetings and preparation work. For those currently working with the Diocese, allowances will be made to temporarily reassign some responsibilities to allow time for this essential role.
